### a synthesis centre is a place that is...

# Synthesis postdoctoral workshop CESAB-sDiv 2016

# <sup>a little</sup> background

8 countries of origin **8** countries for PhDs

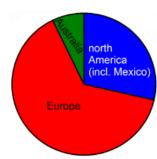

4 ± 1.32 countries lived in > 3 months

2.63 ± 2 postdocs each (range 1-4), only 1 of these in a synthesis centre

**10** with a group **4** independent

½ rural ½ city/town

# skills brought to the table functional biodiversity

Roxane and Aggeliki with some

## Who were there?

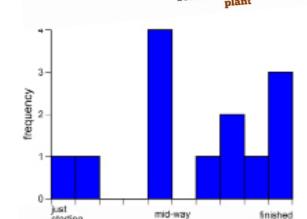

**4** participants

centres

left to right back: Dylan Craven, Bérenger Bourgeois, Reto Schmucki, Carsten Meyer, Marten Winter (sDiv director), Petr Keil, Alison Specht (CESAB director).

left to right front: Glyn Rimmingon (Wichita State Uni), Benjamin Yguel, Andrew MacDonald, Gilles Dauby, Joanne Bennett, Katherine Bannar-Martin, Gabriel Garcia-Peña, Kelly Ramirez.

Absent from photo: Aggeliki Doxa and Roxane Maranger.

biogeography

statistics

phylogeny statistician

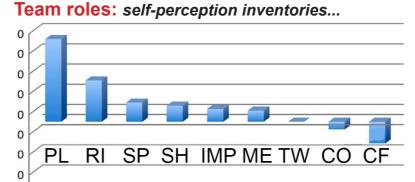

synthesis stage

we had advice on and discussion about careers from guests Roxane Maranger, Michel Loreau (who also gave a seminar), Wolfgang Cramer, Patrick Duncan and Glyn Rimmington. There were peer comments on CVs (could have done more).

working with the postdoc groups (Linux and Policy)
